

U. S. POSITION IS MAINTAINED; NOTE EXPECTED

Officials at Washington Believe Pres. Wilson to Lay the Whole Mexican Situation Before Congress To-morrow if Carranza Fails to Act or Replies Unfavorably

PEACE OR WAR HINGES ON TROOPERS' RELEASE

Special Agent Rodgers at Mexico City Telegraphs State Department That He Expected Carranza's Reply to be Delivered to Him Some Time To-day

Washington, D. C., June 28.—Special Agent Rodgers at Mexico City in a brief telegram, dated yesterday and received to-day at the state department, said he expected to be handed to-day Carranza's reply to the American note.

There was nothing to-day to indicate that the Washington government's position has undergone any change, and the officials still expect the president to go before Congress to-morrow if Carranza fails to act or replies unfavorably. Anything short of the immediate release of the American troopers will be unsatisfactory.

CARRANZA PROTESTS

ALLEGED MISCONDUCT

A note protesting against outrages against Mexican citizens, alleged to have been committed by an American force, 3,000 strong, marching from San Geronimo toward Valle, was sent to the state department to-day by Eliseo Arredondo, the Mexican ambassador designate, on instructions from the Carranza foreign office. A vigorous complaint against the alleged arrest and mistreatment of 300 civilians at Lacruz was registered in the note, with a request that the officers responsible be punished and steps taken to prevent a recurrence of such an incident.

ARGENTINE AMBASSADOR

EXPECTS SETTLEMENT

New York, June 28.—Romulo S. Naon, Argentine ambassador to the United States, issued a statement to-day that, while he had made no offer of mediation, looking to a settlement of differences between Mexico and the United States, he was in candor confident that the present crisis will be peacefully settled.

ARREDONDO PROTESTS.

Carranza Representative Takes Things Into His Own Hands.

Washington, D. C., June 28.—On his own responsibility, Eliseo Arredondo, ambassador designate from the Carranza government to Washington, sent to the state department yesterday two communications. One complained against the enforcement of a general embargo on shipments to Mexico; the other recited that Mexican citizens have been arrested without cause in California and Arizona.

They warn Secretary Lansing that the present situation between the two governments cannot fail to be gravely aggravated by these matters, although setting forth that the ambassador assumes that local authorities, not the state department, were responsible for the trouble.

So far as is known, the state department has not been advised of the detention of Mexicans. It is an open secret, however, that a practical embargo on commerce between the United States and Mexico is being enforced effectively by customs and army officers, without the authority of a formal proclamation.

AMPLE FOOD IS

GUARANTEED

To All American Soldiers Who May Be Called Out in the Present Difficulty with Mexico.

Washington, D. C., June 28.—War department officials believe they have perfected arrangements by which ample supplies of food, equipment and clothing will be provided for all troops called into federal service. The quartermaster general reports that all calls so far have been met and there has been an abundance of food supplies of excellent quality.

SIX BANDITS WIPED OUT

Following Murder of American and His Bride Near Hachita.

Columbus, N. M., June 28.—Army officers are investigating the report that the murderers of William Parker and his bride on a ranch southwest of Hachita were caught early to-day on this side of the border and were killed. A message received by a relative of Mr. Parker said that six bandits had been wiped out.

HOUSE DESTROYED.

Morris A. Thomas' Property in Salisbury Struck by Lightning.

Middlebury, June 28.—In the heavy storm that raged here yesterday afternoon lightning struck the home of Morris A. Thomas in Salisbury, which burned to the ground. The loss is estimated at \$5,000, partly covered by insurance.

SMALL FUSS AT NOGALES

Eight Mexican Soldiers Had Tried to Force Their Way Across the Border

WERE DRIVEN BACK BY SENTRY POST

Major Brooke Threatens to Advance on the Mexican Town at the First Shot

GERMANS TRY IN VAIN TO GET FLEURY TOWN

Delivered Another Attack Last Night But Were Repulsed, According to the Official Statement at Paris—Spirited Fighting Near Thaumoult.

RUSSIAN FORCES ARE DRIVEN BACK BY GERMANS

According to Berlin Report, the Kaiser's Reinforced Army Has Captured Village of Winiewka in Volhynia.

Berlin, via London, June 28.—The great battle in Volhynia, where a reinforced German army has succeeded in checking the Russian advance, has resulted in further reverses for the Russians. This announcement was made by the war office. The Germans captured Winiewka, a village west of Sokul, and Russian positions south of that point.

ITALIANS KEEP UP THEIR ADVANCE

Have Wrested Two More Positions from the Austrians, Who Are on the Defensive Over a Wide Front.

Rome, via London, June 28.—The Italians have hung back the Austrians a further distance on the Trentino front. The war office to-day announced the capture of Monte Giamondo, north of Fossano, and Monte Cavigio, a position lying between Posina and Astico.

GERMAN DEMAND ON SWITZERLAND AN ULTIMATUM

Zurich Despatch to Paris Paper Says That Berlin Government Gives Neighbor Till Thursday Night to Agree to Exchange of Commodities.

Paris, June 28.—A Zurich despatch to The Matin says that Germany's demands on Switzerland for an exchange of commodities is in the form of an ultimatum, which expires at 6 o'clock Thursday night.

HEAVY STORM DAMAGE

Was Done in the Vicinity of Vergennes Yesterday.

Vergennes, June 28.—One of the worst electric storms in many years occurred here yesterday. Four different storms closely following each other made in reality one continuous storm for four hours. There was incessant and sharp lightning and terrific thunder. One of the storms was accompanied by hail and torrents of water fell, flooding gardens, and on Green street the water rushed over the sidewalk ankle deep notwithstanding the deep gutters. The thermometer, which stood above 80 in the forenoon, fell soon after 1 o'clock, when the first storm began, to 60.

During the storm the shaving house belonging to the Vermont shale roller plant was struck by lightning, setting the building on fire. The fire was soon under control. No damage is apprehended from the smoldering of shavings, as the shaving house is under strict surveillance.

This storm will do much damage to the farmers. Many pieces of land that hitherto have been too wet for sowing or planting were about ready for seed, and in all probability cannot be worked for a week, even if good weather ensues.

C. V. ROADMASTER.

P. D. Fitzpatrick Will Take Office at St. Albans.

St. Albans, June 28.—A circular was issued this morning from the office of Pres. E. C. Smith of the Central Vermont railway announcing the appointment of P. D. Fitzpatrick as general roadmaster, with offices in St. Albans. He assumes his new duties in addition to being valuation engineer.

The girls' cooking class will meet Thursday afternoon at 2:30 at the Congregational church.

Miss Grace Brown left the city this noon for Whitefield, N. H., where she will be employed this summer at the

CENTRAL STATE TROOPS ORDERED TO MOVE SOUTH

Illinois, Missouri, Kansas and Wisconsin National Guards Are Said to Be Reasonably Ready to Entrain.

Chicago, June 28.—Orders were issued to-day by Major Thomas H. Barry, commanding the central department, for the immediate movement to the border of all the units of Illinois, Missouri, Kansas and Wisconsin National Guards which are said to be reasonably ready.

Rock Island, Ill., June 28.—Fifty cars of equipment for the central division guardsmen have been shipped from the government arsenal, it was announced to-day. Men are working in eight-hour shifts and the force has been greatly increased.

ALL BAY STATE TROOPS NOW ON THE WAY

Field Artillery and Cavalry Entrained During the Night and Early This Morning at Framingham and Are En Route to the Border.

Framingham, Mass., June 28.—The last of the federalized militia organizations called from Massachusetts to protect the Mexican border started to-day, the field artillery and cavalry entraining during the night and early this morning.

TO HAVE MACHINE GUNS.

Vermont Militia to Be Supplied from Massachusetts Equipment.

Framingham, Mass., June 28.—The equipment of the machine company of the Sixth Massachusetts will be sent to the Mexican border for the use of the Vermont militia, which left yesterday for Texas. Col. Warren E. Sweetser of the Sixth regiment, who is in charge of the recruits at the camp ground here, announced last night that he had received orders to this effect.

FUNERAL AT GRANITEVILLE.

Service for Michael Murphy Was Largely Attended.

Funeral services for Michael Murphy, a well known Graniteville young man, who passed away at the home of his parents, Mr. and Mrs. John H. Murphy, Saturday, were held in St. Sylvester's church Tuesday morning at 9 o'clock, the pastor, Rev. Joseph Turcot, officiating. The bearers were: Philip Murphy, Thomas Murphy and Moses Murphy, brothers of the deceased, and Michael Donahue, Patrick J. Sheehan and John J. Sheehan, brothers-in-law. Interment was made in the Catholic cemetery, whither a large number of the young man's friends accompanied the body.

Among the floral tributes were: Anchor family; pillow, "Our Uncle"; roses, W. C. O. E. roses, L. A. O. H. roses and sweet peas, Mrs. Susie Carroll and family; roses, Mrs. George McFarland; roses and carnations, Mrs. Ella Pitkin and Miss Gwendolyn Pitkin; carnations, Misses Anne and Gertrude Ryan and Mrs. Michael Ryan; carnations, Misses Daisy and Myrtle Pirie; carnations, Mr. and Mrs. Robert Finnegan; carnations, Thomas Cronie; carnations, John Healey; carnations, Guy George; spiritual bouquet, Mrs. John Ryan.

FUNERAL OF LAFAYETTE BOY.

Was Held at St. Monica's Church Yesterday Afternoon.

The funeral of William Lafayette, the little son of Mr. and Mrs. Frank Lafayette of west hill, whose accidental death occurred Sunday evening, was held at St. Monica's church Tuesday afternoon at 2 o'clock, the parish priest, Rev. P. M. McKenna, officiating. There was a large gathering of neighbors and other friends. The bearers were: Perley Lafayette, Ernest Lafayette and Roland Lafayette, brothers of the deceased, and Henry Paquette. Interment was made in the Catholic cemetery on Beekley street.

The floral tribute included the following: Pillow, parents, brothers and sisters; carnations, Mr. and Mrs. George Lafayette, South Barre grange, Mr. and Mrs. Edward Duprey, Sunshine club, Mr. and Mrs. William Duprey, Mr. and Mrs. C. Chapman, Mrs. Allen and son, Mrs. Laphier, Mrs. C. Reed, Mrs. F. Bellville, Mrs. E. Carey, Mrs. A. Paquet, Mr. and Mrs. H. A. Holt, Mrs. Robertson, Ina and Ruth Wood; pansies, Mr. and Mrs. M. L. Towne; pansies and snowballs, O. L. Wood; lilacs and snowballs, Mrs. Beaulieu; pansies, Mrs. Kelly; mixed flowers, Mrs. Belknap; roses and carnations, Mrs. P. Macey; pansies, Mrs. Bancroft.

ATTENTION!

Barre People in Whose Veins Flows the Blood of the Irish Race.

During the recent rebellion in Ireland, several hundred men were killed and wounded, at least 10 were executed by British authority and more than 2,000 were thrown into British prisons.

The many thousands of dependents of those men are of necessity thrown upon the charity of the Irish race. Whether they acted wisely or otherwise is not for us in America to say, but the fact that they gave up their lives and their liberty is proof of the fact that they believed with President Wilson that every people should have a right to say under what sovereignty they shall be governed.

There will be a meeting in K. of C. hall on Thursday, June 29, at 7:30 p. m. to devise ways and means whereby the people of this vicinity shall assist in raising a fund for the maintenance of those unfortunate people across the sea. Your presence will assist in the work. There will be a short musical program. "And the greatest of these is charity."

NORWICH THE WINNER.

Captured Intercollegiate Outdoor Rifle Tournament.

Washington, D. C., June 28.—Norwich university tonight has announced its victory in the National Rifle association intercollegiate outdoor rifle tournament, in which 17 colleges and universities competed. The Norwich score was 841.

EXPECTANCY WAS KEEN

As Vermont's Federalized Troops Left the State for Mexican Border

ARE TRAVELING IN DAY COACHES

The Regiment Numbers 934 Officers and Enlisted Men

"Tell them we won't be happy till we get there," was the way one of the Barre boys in the 1st Vermont regiment sized up sentiment among his comrades when the troops train from Colchester passed through Montpelier Junction on its way to Eagle Pass, Texas, yesterday afternoon. Entraining at Colchester around 1 o'clock, the first section, made up wholly of freight, horses, wagons, etc., with a sprinkling of troopers, reached the junction shortly after 3 o'clock. Then three sections occupied by the troops came through at intervals, each section stopping while a patriotic gathering of Washington county folk gave vent to their patriotism, an emotion which, it may be added, was very often shaded with regret.

Barre was largely represented in the crowd that thronged the platform, and Barre boys in the contingent got many a warm handshake as the trains pulled up. Adjutant C. Newell Barber was assigned to the officers' coach, along with Col. Reeves and Chaplain John M. Thomas. There were about a score of Barre men in the Company H contingent, and Private Forrest Willey of St. Johnsbury, a son of the late L. E. Willey of Barre, was assigned to transit service in the commissary section. The young soldiers were in fine fettle and possessed just that fine spirit of expectancy that will serve them in good stead during the five days' trip to Texas.

"Tell them we won't be happy till we get there!" It was an epitome of the Vermont spirit, and perhaps the shades of Green Mountain boys who fought at Bennington, Plattsburgh, Chautauque and Gettysburg heard and smiled.

The men traveled in day coaches, but a supply of short boards were provided, which were to be laid over two adjoining car seats and covered with blankets for a fairly comfortable bunk. Four commissary cars with an adequate supply of food and fresh drinking water went along. Each soldier was issued five days' rations. The men are to be given a chance to get out of the train now and then to exercise.

At Binghamton, N. Y., they will receive supplies of shoes and socks, which have been forwarded by the war department, and also a supply of anti-typhoid serum. The guardsmen will not be inoculated with the serum, however, until they have reached their new station. From Binghamton, the route will be westward to Chicago, Kansas City, Mo., through Oklahoma to San Antonio, Tex., and then to Eagle Pass. In passing through Oklahoma, the train will stop at two towns which are now connected by an electric railway, built a number of years ago by Colonel Reeves, where a large, although necessarily brief, welcome is being planned for them. There is some doubt as to whether or not Eagle Pass will be the final destination of the regiment, it being reported that it is merely a junction point and that the Vermonters will be joined there by other regiments and transferred to another station.

The Vermont regiment is composed of 47 officers and 850 enlisted men, while the sanitary troops, numbering four officers and 24 men, accompanied the regiment. The first squadron of cavalry, numbering 151 men, and about 150 recruits, were left at the state grounds, where they will drill and equip. All the men who failed to pass the physical examination or failed to take the oath are to be discharged at once.

Sergeant Carl Nelson and five other members of Company H, who failed to pass the medical examination at the state camp prior to the departure of the regiment for the border, arrived in Montpelier last evening and this morning, other companies lost a much larger proportion of men, and all of the Company H men who were rejected had only minor defects that barred them from going with their comrades. The other five were Privates Shewell, Jones, Smith, Lathrop and O'Brien.

Gov. Gates Uncertain About Special Session.

Although no official information has been given out regarding the proposed special session of the legislature to be called to authorize pay for the regiment, the feeling prevails that Gov. Gates will wait until something definite is done toward the declaration of war. In the event that war should be declared this week, it is not improbable that the session would be called next week. Gov. Gates was a brief visitor in Montpelier yesterday afternoon.

WAITED HOURS AT BRATTLEBORO.

Crowd of 4,000 People Out with Refreshments for Co. I Boys.

Brattleboro, June 28.—A crowd of 4,000 people waited hours until the first troop section of the four trains bearing the 1st Vermont regiment of the National Guard pulled into the station at 10:20 last night between scores of national flags flying from the train shed. The members of Company I of Brattleboro, 80 strong, were permitted ten minutes on the platform to bid their last good-byes, and hysterical scenes were many, but the boys were dry-eyed and cheerful as the train pulled out. Two express truck loads of good things to eat and smoke and drink were loaded on the baggage car, the gifts of friends and shopmates. Every soldier boy from the town had his own private package of good things handed to him by some relative.

Band Was Out at Waterbury.

Waterbury, June 28.—A large crowd, interment was made in Hope cemetery.

estimated by some as over 400, gathered at the depot as the V. N. G. troops went through here yesterday afternoon. The band played, business men marched, and all mercantile business in town practically ceased during that time. Waterbury people gave the boys a hearty send-off.

DORNHOEFER-NELSON.

Brooklyn Man Came to Barre for His Bride To-day.

Miss Mary Agnes Nelson, daughter of Mrs. Margaret A. Nelson of 92 Summer street, Barre, and Lewis John Dornhoefer, son of Mr. and Mrs. J. M. Dornhoefer of Brooklyn, N. Y., were united in marriage at 8:30 o'clock this morning, the ceremony being performed at St. Monica's church in the presence of many friends and relatives. Rev. Fr. P. McKenna, pastor of the church, was the officiating clergyman, and the singing was by Mrs. John Hartigan, while Miss Ruth Nelson, a cousin of the bride, played the organ. The wedding was very pretty. The bride was gown in pussy-willow taffeta with pearl trimmings and she wore a hat to match. She carried a bride's bouquet of pink roses. She was attended by Miss Bessie Bonett of Barre as maid of honor, and the latter wore pink crepe de chine, with picture hat, and carried a bouquet of white roses. The best man was Frank Nelson of Barre, a brother of the bride. The church was beautifully decorated by the Senior Sodality under the direction of Sister Margaret Mary.

Following the ceremony at the church the wedding party went to the home of the bride, where a wedding breakfast was served and a reception was held. The color scheme at the residence was pink and white, peonies and roses being used in the decorations. The gifts, including much silverware, cut glass, etc., were shown, there being a large number. Mr. and Mrs. Dornhoefer left on a two weeks' wedding trip, after which they will go to Brooklyn to reside, their home being at 249 Forest avenue. The groom is employed in that city, being a foreman for the Victor Machine Co. The bride has a great many friends in Barre. For the past 11 years she has been cashier in the Barre office of the Vermont Telephone & Telegraph Co.

Among those from out of town who attended the wedding were Misses Helen and Margaret Leonard and Charles Leonard of Toledo, O., Miss Lorelei Tierney of Springfield, Mass., and Miss Alice Corbin of Montpelier. No cards.

DANIELS-LAMONT.

Marriage of Barre People Took Place at Episcopal Rectory.

Miss Mary W. Lamont, daughter of Mr. and Mrs. William D. Murray of Pearl street, and William A. Daniels of North Main street were married at the Episcopal rectory on Tremont street Tuesday evening at 8 o'clock, Rev. W. J. M. Beattie performing the ceremony. The couple were attended by Miss Bella Daniels and James Daniels, sister and brother of the groom. Mr. and Mrs. Daniels left the city after the ceremony on a wedding trip by motor. Upon their return to Barre they will make their home on Maple avenue.

Both the bride and groom are very well known in Barre. Five years ago Mrs. Daniels completed a course in the training school for nurses at the Barre City Hospital. Mr. Daniels is employed in Jack's lunch on Depot square.

SCHEDULE WAS DRAWN UP.

And Officers Elected for Vermont State Baseball League.

Directors of the Vermont State Baseball league, the recently organized circuit which will furnish sport to the fans of four cities from the Fourth of July until September 16, met last evening in the Montpelier city court room and, with the managers of the several teams present, a tentative schedule of games was drawn up. Numerous changes will probably have to be made to give each town about the same number of games, but Rutland will have the most, taking advantage of Sunday baseball. Director K. S. Perkins of Burlington was elected president of the league and the other officers chosen were: Vice president, W. F. Byrne of Rutland; secretary, C. DeF. Bancroft, Jr., Montpelier; treasurer, A. Broggi of Barre. Others present were Manager John E. Dobbs of Montpelier, Manager Harry Sheild of Rutland and Manager Angelo Bottig of Barre.

The league will be opened July 4 with Montpelier playing at Barre and Rutland at Burlington. The following Saturday Montpelier will play at Burlington and Barre at Rutland, both teams in Washington county playing away from home because of the circus in Montpelier. The season will close September 16 unless a change is made or postponed games interfere and each team will have played 25 contests.

St. Johnsbury and the Barre A. C. requested the directors to consider applications for admittance, but the former was eliminated because of the long jump from Rutland to the Caledonia county town and to accept the Barre A. C. would mean only five teams and would mean that Barre would be doubly represented in the circuit. Next year, if success crowns the attempt to play this year, probably the league will be enlarged to include six and perhaps eight teams.

Directors and managers are as one in working for the success of the league above the individual team and the fans can be promised that while fast baseball will be played, fabulous sums will not be expended by any of the clubs for high-class players and a reputation of the Northern league will not be approached. The schedule will be completed sometime this week and will be published as soon as possible. Montpelier and Barre play an exhibition game Saturday of this week at Intercity park.

FUNERAL AT EPISCOPAL CHURCH.

That of William J. Macneil Was Held Yesterday Afternoon.

The funeral of William J. Macneil of Maple Grove, whose death Saturday followed a brief illness, was held in the church of the Good Shepherd Tuesday afternoon at 2 o'clock, the pastor, Rev. W. J. M. Beattie, officiating. The bearers were: Arthur W. Macneil, Austin O. Macneil of Syracuse, N. Y., and Lloyd E. Macneil, sons of the deceased, Arthur E. Rogers, a son-in-law, Fritz Jackson and Percy M. Carr. During the service Mrs. A. W. Allen sang two selections.

RADICAL CHANGES PROPOSED

In Barre's Fire Protection in Order to Raise the City from Class C to Class B in the Rating of New England Insurance Exchange, Following Inspection Last Spring

FULL REPORT IS HEREBY SUBMITTED

Councilors Engaged in Another Word Combat Over the Band Last Night—Bids for the Opera House Lease Run from the Sublime to the Ridiculous, or Vice Versa

Temperate discussion of two measures of major importance at the regular meeting of the board of aldermen last evening culminated in another verbal clash over the band concert business and over the battle-axe statements were clean fore-spent the war of words had been continued in an executive session. Bids ranging from \$800 to \$5,000 per year for the opera house lease were received and a lengthy report from the New England Insurance Exchange relative to the extension of fire protection facilities in Barre was read and accepted.

Radical improvements for the fire and water departments and auxiliaries are recommended in the report which Engineer John S. Caldwell submits to Mayor Robert Gordon as the result of his investigation in Barre last April. Extensions advocated by the engineer have for their prime object the elevation of Barre from class C to class B in the rating schedule in order that property owners may have the advantage of lower insurance rates.

Among the phases touched upon in the engineer's report are: Water supply, mains, gate valves and hydrants; fire department, paid men, companies and apparatus; fire alarm system, headquarters, outside wires, efficient wiring, telephone system, fire department auxiliaries and electrical appliances.

REQUIREMENTS FOR IMPROVED GRADING.

(1) That the drainage system be strengthened by the installation of such mains as are necessary to furnish a fire supply as follows:

(a) In the principal mercantile district 3,200 gallons a minute.

(b) In closely built residential districts 1,000 to 2,000 gallons a minute.

(c) In residential districts 500 to 1,000 gallons a minute.

The above quantities to be in excess of domestic consumption of such mains as are necessary to furnish a fire supply as follows:

(a) In residential districts 6-inch; 6-inch to be used only where they complete a good gridiron and in no case in blocks 600 feet or more in length.

(b) In mercantile and manufacturing districts, 8-inch and 12-inch, the former to be used only in sections where they complete a good gridiron and the latter for long lines not connected.

(3) That a well-defined plan be adopted whereby all 4-inch mains used for hydrant supply will be replaced within a reasonable period, and the system of distribution mains as it is best able to suffer of current and future consumption in each district and of other local conditions involving paving, drainage, pressure, size and type of hydrants, etc., but practical experience has shown that the above quantities are required for good fire protection in districts such as are found in this city and that the gridiron system of mains of the sizes recommended above is satisfactory over a wide area and with large secondary cross-feeders at main intersections.

(4) That the distribution system be equipped with a sufficient number of gate valves so located that no single case of accident, breakage or repair to the pipe system in the high class districts will necessitate shutting off from service a length of pipe greater than 800 feet, or greater than 800 feet in other sections, and will not result in the shutting down of an artery.

Hydrants. That additional hydrants be installed in accordance with the following:

(a) In the mercantile and manufacturing districts the average linear spacing not to exceed 200 feet and an average area served per hydrant not to exceed 50,000 square feet if engine streams are used and 60,000 square feet for direct hydrant service.

(b) In closely built residential districts the average linear spacing not to exceed 350 feet and an average area served per hydrant not to exceed 115,000 square feet if engine streams are used and 60,000 square feet for direct hydrant service.

(c) That the following be adopted as the standard for all new hydrant installations:

(a) Hydrants shall be able to deliver 600 gallons per minute, with a loss of not more than 2 1/2 pounds in the hydrant and a total loss of not more than 5 pounds between the street main and the outlet.

(b) Hydrants to have not less than two 2 1/2-inch outlets and also an engine connection where engine service is necessary.

(c) Street connections and hydrant barrels to be not less than six inches in diameter and connection to street main to be gated.

Fire Department. Paid Men.

(7) That sufficient full paid men be assigned to companies so that the least number present at

(Continued on fourth page.)
